## Meeting #1

Wednesday, January 22, 2014

5:30 – 8:00 p.m.

Red Lion Hotel, 11211 Main Street, Bellevue, WA

**Project Overview:** The Eastside is growing faster than any other region in Washington and that growth is straining our region's existing electric transmission system. Through the Energize Eastside project, Puget Sound Energy (PSE) will bring new, higher capacity electric transmission lines to the Eastside, upgrading our existing transmission system and providing more dependable power for all Eastside communities for many years to come
