

OAK (Segments A-C-E-G2-I-K2-M-N)

2b: The Oak route is one of the four route options included in the Community Advisory Group's preliminary recommendation. *If Puget Sound Energy selects this route, what are your comments?*

REDWOOD (Segments A-C-E-G2-G1-H-K1-K2-M-N)

2c: The Redwood route is one of the four route options included in the Community Advisory Group's preliminary recommendation. *If Puget Sound Energy selects this route, what are your comments?*

WILLOW (Segments A-C-E-J-M-N)

2d: The Willow route is one of the four route options included in the Community Advisory Group's preliminary recommendation. *If Puget Sound Energy selects this route, what are your comments?*

Question 3: Next steps for the Energize Eastside project

Which tools will you find most useful to stay informed during next steps (fieldwork, community input on design, construction, environmental review) for the Energize Eastside project? (please check all that apply)

- Meetings (e.g., open houses, workshops, briefings)
- Notifications (e.g., postcards, newsletters)
- Project email/voicemail
- Online tools (e.g., website, emails, interactive map, online open house)
- Other (please specify) _____

Thank you!

We appreciate you providing your feedback. In December, Community Advisory Group members will consider community feedback as they finalize their route recommendation for PSE to consider.

If you'd like to provide additional comments about the project, visit the website at:
