

# How has Eastside demand changed in 50 years?

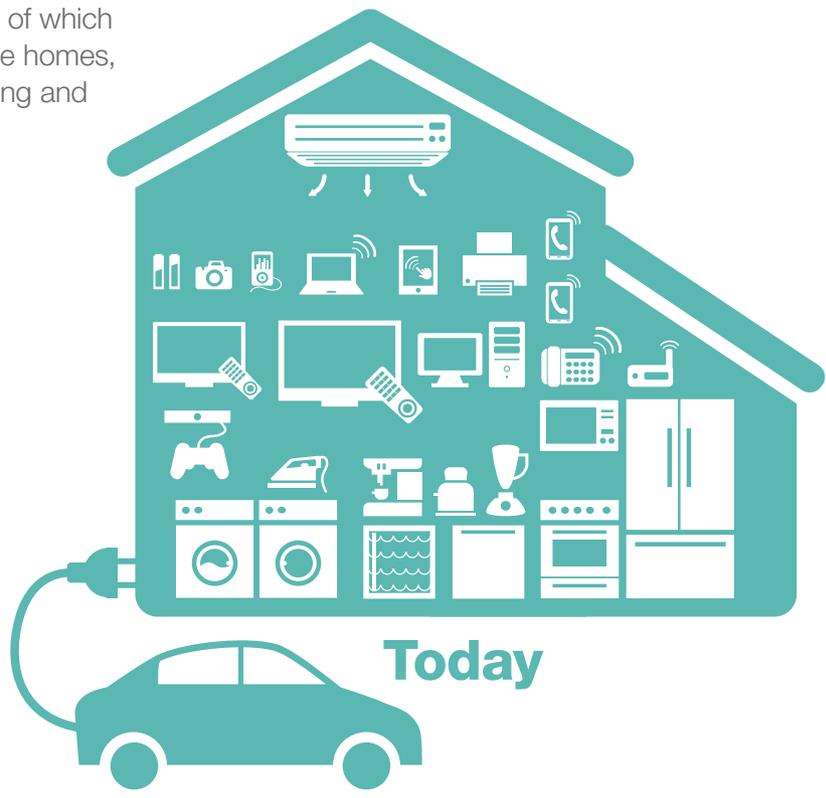

Source: Puget Sound Regional Council 2013 Land Use Baseline: Maintenance Release 1 (MR1) Update, April 2014.

## Electricity use has changed

Today we plug in more devices, many of which didn't exist in 1960. We also build large homes, which require energy for lighting, heating and air conditioning.

**1960s**

**Today**
