

Summer 2014 survey results

PSE developed a survey to gather public input about the Community Advisory Group's narrowed route options and evaluation factor weightings. The survey was available online from Aug. 27 to Sept. 17 and at the Sept. 10 and Sept. 11 in-person open houses.

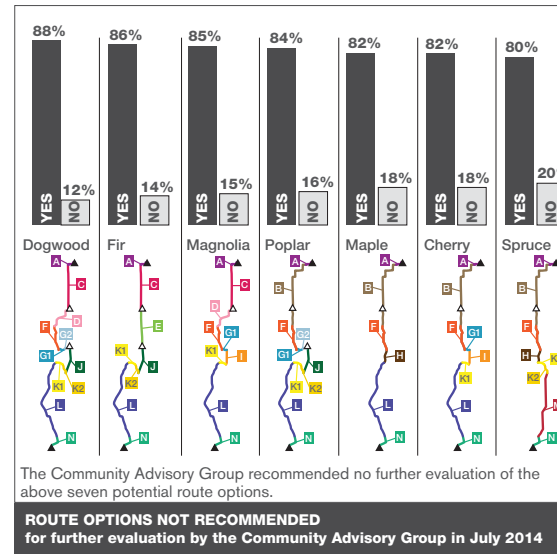

515 total surveys completed
490 through online open house
25 at in-person meetings

Question 1: Do you agree these routes should be further evaluated? (501 responses)

Question 2: Do you agree with the advisory group that these route options should be removed from further evaluation? (438 responses)

Question 3: Which of the below evaluation factors are the most important to you? (461 responses)
