

We're listening

Since the launch of the project in December 2013, PSE has hosted:

- More than **200** briefings with individuals, neighborhoods, and other stakeholder groups
- **4** public open houses (+2 on Nov. 12 and 13)
- **2** online open houses
- **2** public surveys
- **2** public question and answer sessions
- **7** Community Advisory Group meetings
- **6** Sub-Area workshops and **3** Sub-Area Committee meetings
- **1** webinar on undergrounding transmission lines and electric and magnetic fields

Additional project outreach includes:

- More than 1,700 comments and questions received from the public
- Two project newsletters sent to more than 50,000 residents and business owners
- Attendance at more than 40 community events
- A traveling kiosk displaying project updates throughout the Eastside
